PER CURIAM:

Soraya Noland appeals from the district court's order granting summary judgment in favor of the U.S. Postal Service in her employment discrimination action. Our review the record, the district court's opinion, and the parties' briefs discloses no reversible error. Accordingly, we affirm on the reasoning of the district court. See Noland v. Henderson, No. CA-99-1027-A (E.D. Va. Jan. 28, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
