ATTORNEY GENERAL OF VIRGINIA, Richmond, Virginia, for Appellees.

See Local Rule 36(c).

PER CURIAM:

Ken Batchelder appeals the district court's order dismissing his action challenging his dismissal from a graduate program at the College of William and Mary. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Batchelder v. Earley, No. CA-99-44-4 (E.D. Va. Apr. 18, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
