See Local Rule 36(c).

PER CURIAM:

Stephanie Atchley appeals the district court's order dismissing her civil rights complaint for failing to state a claim under Rule 12(b)(6) of the Federal Rules of Civil Procedure. Atchley filed a complaint against Baptist Hospital and Medical Center ("Hospital"), several of its employees, and attorneys representing the hospital, claiming that she was improperly barred from using the hospital's chapel. We have reviewed the record and the district court's memorandum opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Atchley v. Baptist Hosp. No. CA-99-1143-1 (M.D.N.C. May 17, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
