PER CURIAM:

Lamonica Perryman appeals the magistrate judge's order granting summary judgment in favor of Wal-Mart and dismissing this civil rights action alleging racial discrimination in employment in violation of Title VII. See 42 U.S.C. § 2000e-5(f) (1994). We have reviewed the record and the magistrate judge's order and find no reversible error. The magistrate judge correctly determined that Perryman failed to establish the elements of a prima facie case of employment discrimination. See McDonnell Douglas Corp. v. Green, 411 U.S. 792, 793 (1973). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
