PER CURIAM:

Wesley Scott Ashton appeals the district court's order entering judgment for Defendants in this action arising under the Freedom of Information Act. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Ashton v. United States Army, No. CA-00-297-A (E.D. Va. Aug. 15, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
