PER CURIAM:

Henry Chester seeks to appeal the district court's order denying his motion filed under 28 U.S.C.A. § 2255 (West Supp. 1999). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we deny a certificate of appealability and dismiss the appeal on the reasoning of the district court. See United States v. Chester, Nos. CR-94-665; CA-98-3540-4-22 (D.S.C. Dec. 1, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
