See Local Rule 36(c).

PER CURIAM:

Larry Douglas Byrd appeals the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 2000) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court and deny all pending motions. See Byrd v. Young, No. CA-99-965-7 (W.D. Va. Feb. 10, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
