Unpublished opinions are not binding precedent in this circuit.  
See Local Rule 36(c).

PER CURIAM:

Kelvin D. Sherman appeals the district court's order denying relief on his complaint under 28 U.S.C.A. § 1915A (West Supp. 2000). We have reviewed the record and the district court's opinion and find that this appeal is frivolous. Accordingly, we dismiss the appeal on the reasoning of the district court. See Sherman v. Cacheris, No. CA-99-1867 (E.D. Va. Mar. 21, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
