PER CURIAM:

Elijah Miles Wynn appeals the district court's orders granting summary judgment to the Appellees, dismissing his civil rights complaint and denying his motion for reconsideration. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Winn v. Angelone, No. CA-00-265 (W.D. Va. Aug. 14 & Sept. 6, 2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
