PER CURIAM:

Timothy S. Brandon and William L. Dew appeal the magistrate judge's order denying relief on their employment discrimination action. We have reviewed the record and the magistrate judge's opinion and find no reversible error. Accordingly, we affirm the judgment of the magistrate judge.\* See Brandon v. City of Richmond, No. CA-00-874-3 (E.D. Va. Oct. 25, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED

\* The parties consented to the jurisdiction of the magistrate judge pursuant to 28 U.S.C. § 636(c) (2000).
