Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. T.S. Ellis, III, District Judge. (CA-99-966-AM)

Submitted: March 14, 2002

Decided: March 22, 2002

Before NIEMEYER and KING, Circuit Judges, and HAMILTON, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Jeffrey S. Blaney, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Jeffrey S. Blaney appeals the district court's order denying his motion for reconsideration of the dismissal of his 42 U.S.C.A. § 1983 (West 2001) action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Blaney v. City of Virginia Beach, No. CA-99-966-AM (E.D. Va. filed Oct. 1, 2001; entered Oct. 2, 2001). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
