PER CURIAM:

Ellen Lucinda Delk appeals the district court's order dismissing this civil action as to Defendant Mackey and granting summary judgment to the remaining Defendants. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Delk v. ArvinMeritor, Inc., No. CA-00-242-1-T (W.D.N.C. Jan. 3, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
