Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Larry C. Weldon appeals the district court's order granting summary judgment to the United States on its action seeking to reduce to judgment tax assessments made for years 1982, 1983, 1984, 1986, 1989, and 1990. Our review of the record and the district court's opinion discloses no reversible error. Accordingly, we affirm on the reasoning of the district court. United States v. Weldon, No. CA-00-21-2-BO(2) (E.D.N.C. Feb. 22, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
