Appeal from the United States District Court for the District of
Maryland, at Baltimore. Benson E. Legg, District Judge. (CA-00-
579-L)

Submitted: August 27, 2002

Decided: October 16, 2002

Before WIDENER, LUTTIG, and MOTZ, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Allen Ogden, Appellant Pro Se. William Rowe Phelan, Jr, CITY OF BALTIMORE LAW DEPARTMENT, Baltimore, Maryland; Patricia Anne Smith, BALTIMORE POLICE DEPARTMENT, Baltimore, Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Allen Ogden appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2000) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Ogden v. Mayor and City Council of Baltimore, No. CA-00-579-L (D. Md. Feb. 14, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
