PER CURIAM:

Maurice Bethea appeals the district court's order granting summary judgment in favor of the Defendants, thereby dismissing his complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Bethea v. Southeastern Regional Medical Center, No. CA-01-62-7-F (E.D.N.C. June 6, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
