PER CURIAM:

Roger L. Sanford appeals the district court's order accepting the recommendation of the magistrate judge and awarding summary judgment to the Defendant on Sanford's Title VII discrimination complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Sanford v. Principi, No. CA-00-502-3 (S.D.W. Va. Sept. 26, 2002). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court, and argument would not aid the decisional process.
