See Local Rule 36(c).

PER CURIAM:

Robert James Cason appeals a district court order denying his motion for reconsideration under Rule 60 of the Federal Rules of Civil Procedure. We have reviewed the record and the district court order and affirm for the reasons stated by the district court. See Cason v. Nance, No. CA-04-2780-AMD (D. Md. Oct. 20, 2004). We deny Cason's motion for appointment of counsel. We also deny his request, made in his supplement, for permission to file in this court a petition for a writ of habeas corpus. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
