---

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Frank A. Johnson appeals the district court's order accepting the recommendation of the magistrate judge, granting Defendant Square D Company's motion for summary judgment, and dismissing Johnson's complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. See Johnson v. Square D Co., No. 3:03-cv-03504-MJP (D.S.C. Apr. 21, 2006). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
