PER CURIAM:

Theron J. Bartell appeals the district court's orders accepting the recommendation of the magistrate judge and affirming the Social Security Commissioner's decision to deny disability benefits and denying Bartell's motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Bartell v. Comm'r Soc. Sec. Admin., No. 3:04-cv-22648-CMC (D.S.C. Feb. 21, 2006 & Apr. 24, 2006). We further deny Bartell's motion to supplement the record on appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
