Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Orville Lewis, Jr., appeals the district court's order dismissing this action seeking to void a state court judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Lewis v. Virginia, No. 3:07-cv-00219-HEH (E.D. Va. July 11, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
