Lemar J. Anderson, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Lemar J. Anderson appeals the district court's order dismissing his 42 U.S.C. § 1983 (2000) complaint as barred by the applicable two-year statute of limitations. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Anderson v. Humphres, No. 1:06-cv-00653 (E.D. Va. Dec. 7, 2006). We deny Anderson's motion for appointment of counsel. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
