PER CURIAM:

Joseph Grayson Ward appeals the district court's order accepting the recommendation of the magistrate judge and denying relief on his 42 U.S.C. § 1983 (2000) complaint.\* We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Ward v. Beaufort County Det. Ctr., No. 2:04-cv-00792-RBH (D.S.C. May 18, 2007). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED

\*In his informal brief and informal reply brief, Ward asserts error only in the district court's denial of relief on his claims against defendants Beaufort County Detention Center and Mark Fitzgibbons. Accordingly, he has waived review of the denial of relief against the other defendants. See 4th Cir. R. 34(b) ("The Court will limit its review to the issues raised in the informal brief.").
