Appeal from the United States District Court for the District of Maryland, at Baltimore. J. Frederick Motz, District Judge.
(1:07-cv-01883-JFM)

Submitted: March 24, 2009

Decided: May 8, 2009

Before NIEMEYER, MICHAEL, and DUNCAN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

John W. Fishback, Appellant Pro Se. Phillip M. Pickus, OFFICE OF THE ATTORNEY GENERAL OF MARYLAND, Baltimore, Maryland; Philip Melton Andrews, Katrina J. Dennis, KRAMON & GRAHAM, Baltimore, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

John W. Fishback appeals the district court's order denying relief on his 42 U.S.C. § 1983 (2006) complaint. We have reviewed the record and find no reversible error. Accordingly, we deny the motions for appointment of counsel and affirm for the reasons stated by the district court. See Fishback v. Department of Pub. Safety & Corr. Serv., No. 1:07-cv-01883-JFM (D. Md. Sept. 17, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

AFFIRMED
