Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Marcus Lorenzo Gaskins appeals the district court's order denying relief on his motion seeking clarification of restitution and fines imposed in his criminal judgment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. United States v. Gaskins, No. 7:03-cr-00015-F-1 (E.D.N.C. Sept. 23, 2008). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
