Submitted: June 30, 2011

Decided: July 5, 2011

Before WILKINSON, DUNCAN, and WYNN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Larry E. Patterson, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Larry E. Patterson appeals the district court's order denying his motion for relief judgment, filed pursuant to Fed. R. Civ. P. 60(b). On appeal, we confine our review to the issues raised in the Appellant's brief. See 4th Cir. R. 34(b). Because Patterson's informal brief does not challenge the basis for the district court's disposition, Patterson has forfeited appellate review of the court's order. Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
