PER CURIAM:

Appellants appeal from the district court's order granting summary judgment to the Defendants on their action claiming that Union Carbide Corporation wrongfully denied long term disability benefits to Charles Whittington. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Whittington v. Union Carbide Corp., No. CA-94-526 (S.D.W. Va. June 6, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
