Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellant appeals from the district court's order dismissing with prejudice Appellant's action alleging violations of the Internal Revenue Code and denying his motion for relief under Fed. R. Civ. P. 52, 59(e). We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Scambos v. Petrie, No. CA-95-321-A (E.D. Va. July 24, 1995; Sept. 12, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
