PER CURIAM:

Appellant appeals from the district court's order denying relief on his 42 U.S.C. § 1983 (1988) complaint and imposing a prefiling review order limiting future litigation. We have reviewed the record and the district court's opinion, and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Parker v. Virginia Beach Sheriff's Dep't, No. CA-94-537-N (E.D. Va. May 1, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
