PER CURIAM:

Appellant appeals from the district court's order denying relief on his motion for return of seized property. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. United States v. Thompson, No. CR-92-302 (S.D.W. Va. July 21, 1995; October 25, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
