PER CURIAM:

Appellant appeals from the district court's order denying relief on her civil rights action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Battles v. Anne Arundel County Board of Education, No. CA-95-508-Y (D. Md. Nov. 20, 1995). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
