PER CURIAM:

Appellant appeals the district court's order denying her motion for reconsideration of the denial of relief on her 42 U.S.C. § 1983 (1994) complaint. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Caldwell v. South Carolina State Board of Medical Examiners, No. CA-95-3260-3-19BC (D.S.C. June 14, 1996). Further, we deny her motion to transfer to an appropriate venue. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
