PER CURIAM:

Appellant appeals the district court's order dismissing her civil action for lack of federal jurisdiction. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Parham v. Ayscue, No. CA-96-421-5-H2 (E.D.N.C. Aug. 5, 1996). We grant Appellant's motion to include the case number on her informal brief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
