PER CURIAM:

Appellant seeks to appeal the district court's orders denying relief on his 42 U.S.C. § 1983 (1988) complaint. We have reviewed the record and the district court's orders and opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Peay v. Guiton, No. CA-94-520-2 (M.D.N.C. July 6, 1995; Mar. 29, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
