Affirmed by unpublished per curiam opinion.

Angelo L. Bodoy, Appellant Pro Se. Gary L. Simpler, Robert H. Ingle, III, SHAWE & ROSENTHAL, Baltimore, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Appellant appeals the district court's order dismissing his employment discrimination action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Bodoy v. North Arundel Hosp., No. CA-94-2404-K (D. Md. Nov. 25, 1996). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
