PER CURIAM:

Appellant appeals the district court's order granting Appellees' motion to dismiss Appellant's complaint for failure to state a claim. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Squire v. Virginia, No. CA-96-911-3 (E.D. Va. Jan. 13, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
