PER CURIAM:

Appellant appeals the district court's order granting summary judgment to his former employer in an action for disability benefits and the order denying his motion for reconsideration, under Fed. R. Civ. P. 60(b). We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Brown v. Baltimore Gas & Elec. Co., No. CA-95-3445-L (D. Md. Dec. 10, 1996 & Jan. 23, 1997). We deny Appellant's motion to expedite and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
