PER CURIAM:

Appellant appeals from the district court's order affirming the bankruptcy court's order denying his various motions. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Tavakoli-Nouri v. Washington Hosp., Nos. CA-96-3971-AMD; BK-96-52136-JFS (D. Md. Jan. 10 & 23, 1997). Additionally, we deny the Appellant's motion for production of a transcript at government expense. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
