PER CURIAM:

Appellant appeals the district court's order dismissing for lack of personal jurisdiction his action alleging defamation in relation to a credit report. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Mahapatra v. Onondaga County SCU, No. CA-96-1093-HAR (D. Md. Mar. 4, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
