PER CURIAM:

Appellant appeals the district court's order granting Appellee's motion for summary judgment. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court and deny Appellant's motion to authorize a transcript at the government's expense. Davis v. Runyon, No. CA-96-40-L (W.D. Va. Oct. 6, 1997). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
