PER CURIAM:

Anthony A. Iaquina appeals from the district court's order denying relief on his 42 U.S.C.A. § 1983 (West Supp. 1998) complaint and related state law claims. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Iaquina v. City of Weirton, No. CA-97-53-5 (N.D.W. Va. Jan. 9, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
