PER CURIAM:

Appellant appeals the district court's order dismissing her civil action for failure to state a claim upon which relief may be granted. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Webb v. Hunt, No. CA-97-160-7-BR (E.D.N.C. Mar. 17, 1998). We deny Appellant's motion for oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
