PER CURIAM:

Farzia A. Zakeri appeals the district court's order granting the Defendants' motion for summary judgment in his Title VII action alleging race and national origin discrimination. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Zakeri v. Oliver, No. CA-97-1174-2 (E.D. Va. Nov. 24, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
