PER CURIAM:

Steven Hester appeals the district court's order dismissing without prejudice this action filed under Bivens v. Six Unknown Named Agents of the Bureau of Narcotics, 403 U.S. 388 (1971). We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Hester v. Greenburg, No. CA-98-5 (D. Md. Jan. 13, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
