See Local Rule 36(c).

PER CURIAM:

Emory Alvin Michau, Jr., appeals the district court's order dismissing his complaint filed under 42 U.S.C.A. § 1983 (West Supp. 1998) and an earlier order granting in part summary judgment. We have reviewed the record and the district court's opinions accepting in part the magistrate judge's recommendations and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Michau v. Moore, No. CA-96-3582-6-8AK (D.S.C. Sept. 28, 1998 & Mar. 18, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
