PER CURIAM:

Marion David Melville appeals the district court's order denying his motion for reconsideration of the order denying his motion for reconsideration of the original judgment dismissing his petition filed under 28 U.S.C.A. § 2254 (West 1994 & Supp. 1998). We have reviewed the record and the district court's order and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Melville v. Angelone, No. CA-98-566-R (W.D. Va. Nov. 10, 1998). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
