PER CURIAM:

James Mixon, Jr., appeals the district court's dismissal of his action against several agents of the Federal Bureau of Investigation. We have reviewed the record and the district court's opinions and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Mixon v. United States, No. CA-98-430-2 (E.D. Va. Oct. 28, 1998; Dec. 28, 1998; Jan. 26, 1999). We deny Mixon's motions for the appointment of counsel and for expedited treatment and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
