PER CURIAM:

Reginald Frazier appeals the district court's order dismissing the action filed below. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Frazier v. Law Firm of Stevens, Thigpen, Blue, Fellers & Smith, No. CA-98-156-4-H (E.D.N.C. Feb. 26, 1999). We deny Frazier's motions to declare the orders of the Disciplinary Hearing Commission of the North Carolina State Bar void ab initio, to disqualify the district court judge, and to disqualify Judge Ervin. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
