PER CURIAM:

Steven Paul Fleming appeals the district court's order denying Fleming's motion to reopen his civil action and declining to extend the time in which to file a notice of appeal. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Fleming v. Prince Georges County, No. CA-98-3624-MJG (D. Md. Mar. 23, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
