PER CURIAM:

Arlean Witherspoon appeals the district court's order dismissing her employment discrimination action pursuant to Fed. R. Civ. P. 37(b)(2)(C) for failure to comply with discovery orders. We have reviewed the record and the district court's opinion accepting the recommendation of the magistrate judge and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Witherspoon v. Charleston Mem'l Hosp., No. CA-98-1813-23-2 (D.S.C. July 26, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
