PER CURIAM:

Kelly Miskin appeals from the magistrate judge's order granting summary judgment to Baxter Healthcare Corporation on her products liability action. Our review of the record and the magistrate judge's opinion discloses no reversible error. Accordingly, we affirm on the reasoning of the magistrate judge. See Miskin v. Baxter Healthcare Corp., No. CA-92-2975-WMN (D. Md. Sept. 17, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
